What You Get

2 x Uprights
2x Base Struts
1x Mounting Board
(Base Stations not included)
10 x Bolts
1x Allen key

NOTE

We recommend installing your Base Station(s) onto the Mounting Board before you assemble the Gym Portal.

Assembling Your Portal

Lay one of the Uprights flat onto a level surface.

Slot the Mounting Board into the Upright.
The Mounting Board is now self supporting.

Lift the Gym Portal onto it's base.

CAUTION: The Gym Portal is balanced to allow for an individual to lift it into place. However, you should always assess the risk to person and property and a minimum of two people may be required to lift it in place.

The Gym Portal should be placed on a firm level surface.

Ongoing Care

We recommend that you check that the bolts are tight at least once a month, or after heavy use, or after moving the assembled Gym Portal.

Disassembling Your Portal

To take the Gym Portal apart simply reverse the steps shown above.
